

Find your vehicle's perfect match on **FullAuction**

Tops Tips to help you write the best profile

Take the perfect profile picture

Wash off the vehicle

Position it away from the crowd

Make sure your vehicle looks fabulous and create a fantastic first impression

Post more than one picture

Show up to fifteen images of the vehicle

Vary its poses and show off its best features

Take external and internal shots, always capture the dashboard whilst the vehicle is running

Provide a winning description

List the service history - even if this is incomplete, state how many stamps are in the book

State the exact mileage (not 000s)

Are the spare keys present?

Be honest - mention any scuffs or scratches, add tyre tread depths to the nearest mm

Add some comments to help attract bidders:

'Cherished and well looked after'

'Some surface scratches - will polish out with a little love'

Maximise your listing to achieve the best results

Allow 3-4 days' auction duration

Launch with a low starting price to stimulate interest and bidding activity

Avoid finishing times before 10.30am and after 5pm

Follow these steps for a match made in heaven!
